**VISUAL OF AD SIZES**

**Live matter:** All live matter — important graphics and text — should be ¼" (.25) from the trim size on all four sides to ensure that these elements do not get cut off in the finishing process.

**Trim:** The orange line indicates the trim size — the size of the finished publication after it is printed and trimmed.

**Bleed:** Bleed equals trim size plus ⅛" (.125) of artwork on all four sides. This extra ⅛" (.125) is required to ensure the ad extends all the way to the edges of the finished page. Set crop marks outside of the bleed area so they do not print.

In consideration of the publisher’s acceptance of such advertisements for publication, the agency and/or advertiser will indemnify and hold the publisher harmless from and against any loss for expense, including without limitation reasonable attorney’s fees, arising out of publication of such advertisements, including without limitation those resulting from claims or suits for libel, violation of right of privacy, plagiarism, copyright and trademark infringement, and any other claims or suits based on subject matter.

The publisher reserves the right to reject or cancel any advertising which, in her opinion, does not conform to the standards or requirements of the publication, and to add the word “advertisement” at the top of any page which, in her judgment, too closely resembles the magazine’s editorial copy.

The publisher is not responsible for errors in key numbers or other type set by the magazine.

All agreements are subject to labor disputes, accidents, fires, acts of God, or other contingencies beyond the publisher’s control, which prevent the publisher from partially or completely reproducing, publishing, or distributing the magazine. Further, the publisher shall not be liable for damages if there is a failure to publish an advertisement for any reason.
